Chancellor's 2016 Vision and Call to Action:

Let's Accomplish Together

Our blueprint for action and accomplishment as we move forward in 2016 must be built on the foundation of **A.C.T.I.O.N.** –

Accountability to all members of the SBCCD community so that we faithfully carry out our roles and meet the commitments that we make to others.

Collegiality at all levels of the organization so that work is accomplished in the spirit of collegial consultation.

Transformation of the District and all of its entities so that we can continue on the path of continuous improvement and to become the best community college based on the indicators of success we measure.

Interaction with others so that we can build meaningful and consistent communications between individuals and groups.

Objectivity in our interactions so that we can better understand one another without preconceived notions and biases to derive collegial outcomes.

Necessity as the basis for efficiency and effectiveness as stewards of district resources, sustainability, and most importantly, service to our students and the community.

The Board of Trustees of the San Bernardino Community College District (SBCCD) named Dr. Wei Zhou as the new president of Crafton Hills College (CHC) and Diana Rodriguez as the new president for San Bernardino Valley College (SBVC) at its regular meeting on June 9. [\\$40 Million Annually to Provide Grants to Community College Districts](#)

AB 2017 (McCarty) would use Proposition 63 funding to provide grants for higher education mental health services. The total funding would be \$40 million annually to provide grants to community college districts, CSU and UC of up to \$5 million each. I will keep you apprised of this bill as more information is available.

[1,909 SBCCD Students Do Not Meet New Board of Governor's Waiver Requirements](#)

As you know, effective the fall of 2016, new guidelines apply to the eligibility of Board of Governor (BOG) waivers that can have a negative impact on our students. Under the new legal requirements, students would lose eligibility for the BOG if they were on probation for not maintaining a 2.0 GPA for two consecutive primary terms or not successfully completing half the units attempted in that period.

Both campuses are undergoing extensive construction. The link is intended to help students and employees know when and where the construction will be for the next few months.

[Enterprise Resource Planning \(ERP\) Training May Impact Access to Business & Fiscal Services Staff](#)

As we continue our work to implement a new ERP across the district, Intensive training sessions for the new Oracle-based information system means that many of the Business & Fiscal Services staff will be away from their desk for extended periods of time. We will make sure that all phones are answered and callers are responded to in a timely manner.

The San Bernardino Community College District Office of Institutional Effectiveness, Research, and Planning collaborated with faculty, staff, administrators, and students to facilitate and support planning and evidence-based decision-making. The attached link provides information regarding member evaluations of District collegial consultation committees and other interesting and important data analysis.

[Students Still Not Quite Ready for College or Careers](#)

Even as teachers become more comfortable teaching to readiness standards that are increasingly aligned with higher education, high school graduates may actually be less prepared, according to a new report.

[Our Doors Will Soon Lock From Inside](#)

A district-wide project began last year to retrofit doors in classrooms, to be able to lock from the inside. As of today, 80% of the hardware is now on site and crews have started work on installation. The first buildings will be the Health and Life Science and Physical Science at SBVC.
