Chancellor's 2016 Vision and Call to Action: Let's Accomplish Together

*Our blueprint for action and accomplishment as we move forward in 2016 must be built on the foundation of **A.C.T.I.O.N.** –*

Accountability to all members of the SBCCD community so that we faithfully carry out our roles and meet the commitments that we make to others.

Collegiality at all levels of the organization so that work is accomplished in the spirit of collegial consultation.

Transformation of the District and all of its entities so that we can continue on the path of continuous improvement and to become the best community college based on the indicators of success we measure.

Interaction with others so that we can build meaningful and consistent communications between individuals and groups.

Objectivity in our interactions so that we can better understand one another without preconceived notions and biases to derive collegial outcomes.

Necessity as the basis for efficiency and effectiveness as stewards of district resources, sustainability, and most importantly, service to our students and the community.

I thank each and every one of you for efforts. We can all feel proud of this accomplishment. [Read More](#)
