## Chancellor's 2016 Vision and Call to Action: Let's Accomplish Together

*Our blueprint for action and accomplishment as we move forward in 2016 must be built on the foundation of **A.C.T.I.O.N.** –*

**Accountability** to all members of the SBCCD community so that we faithfully carry out our roles and meet the commitments that we make to others.

**Collegiality** at all levels of the organization so that work is accomplished in the spirit of collegial consultation.

**Transformation** of the District and all of its entities so that we can continue on the path of continuous improvement and to become the best community college based on the indicators of success we measure.

**Interaction** with others so that we can build meaningful and consistent communications between individuals and groups.

**Objectivity** in our interactions so that we can better understand one another without preconceived notions and biases to derive collegial outcomes.

**Necessity** as the basis for efficiency and effectiveness as stewards of district resources, sustainability, and most importantly, service to our students and the community.

## **SBCCD Lockdown Procedures**

The following is a reminder about SBCCD Lockdown Procedures. These procedures are also located in the emergency flip charts located throughout the district.

LOCKDOWN is a security measure used to prevent violent intruders from entering occupied areas of buildings and facilities, or to isolate staff, faculty, students and visitors from danger while on campus or at any district facility.

The order to LOCKDOWN will be communicated via the SBCCD emergency notification system, announcements made by instructors or workplace supervisors, or announcements made by Building Captains.

Building Captains are designated individuals who are tasked with helping to respond appropriately to emergency situations. In the event of an emergency, Building Captains will assist building occupants to respond correctly to LOCKDOWN procedures.

If a LOCKDOWN order is given, you should:

Immediately close and lock doors (if possible). Please note that both campuses are implementing locking mechanisms in classrooms that can be locked from the inside. I have asked the Vice Presidents to provide an update on the progress of those projects and I will include that information in an upcoming Chancellor's Chat .

- Close window shades or blinds if it appears safe to do so.
- Turn off the lights.
- Block any hallway windows (in doors) if it appears safe to do so.
- Move away from doors and windows, and get down on the floor to avoid discovery.
- Assist those needing any special assistance.
- Document and report the names of individuals who are unaccounted for or absent.
- If trained, and the scene is safe, be prepared to initiate first aid for any injured staff, faculty, students and visitors.
- Remain in the classroom, or secured area, and wait for further instructions from SBCCD administration, district police, or other official emergency responders.
