HOLIDAY SHOPPING SAFETY TIPS

Below, are some Holiday Shopping Safety Tips to make your shopping experience pleasant and safe:

- Always be aware of your surroundings. People who are aware are less likely to become victims.
- Carry your purse over your shoulder and close to your body. Do not keep wallets or money in back pockets or in a backpack that can be easily opened.
- Keep a list of the contents of your wallet, including credit card numbers, in a secure place. In the event these items are stolen, this will facilitate the reporting process.
- Never leave your purse, wallet or packages unattended.
- Beware of pick-pockets, especially in crowded areas.
- Carry only the amount of cash or credit cards that you need.
- Avoid storing any purchased items inside your vehicle.
- Park your vehicle in a well lit area. If your vehicle is parked in a dark area, request for security to escort you to your vehicle when you are done shopping.
- As you walk towards your vehicle, have your car keys in hand. Avoid fumbling through your purse while in the parking lot.
- Make sure your vehicle is locked and the windows are closed before you walk away from it.
- If you encounter vehicle trouble, such as a flat tire while shopping, request assistance from security or return to the information counter in the shopping center.
- When using the ATM, make sure it is not in a secluded location and is well lit. Go directly to your vehicle and avoid counting your cash while at the ATM.
- Avoid carrying information regarding personal identification numbers (PIN) or other personal access numbers.
- Avoid carrying your social security card, passport, birth certificate, etc.
