## **Found Property**

The Police Department is the centralized location for all found property. Please turn in any found items so they can be returned to the rightful owner. You can also call to have found items picked up. If you have lost something feel free to stop by the police department and check if your lost item has been turned in.

## **Notifying the Campus about Crimes and Emergency Situations**

### **SBCCD Policy on Clery Timely Warning Notices (Campus Safety/Crime Alerts)**

The purpose of this policy is to outline procedures that the SBCCD Police Dept will use to notify campus community members in the event of certain crimes committed on or near the campus. This policy complies with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

#### **Policy:**

To help prevent crimes or serious incidents, the SBCCD Police Dept will issue a Campus Safety Alert or Notice in a timely manner to notify community members about certain crimes in and around our community that potentially constitute an ongoing or continuing threat. For the purposes of this policy, "timely manner" generally means within 48 hours after an incident has been brought to the attention of a "campus security authority" as defined in the Clery Act.

Members of the community who know of a crime or other serious incident should report that incident as soon as possible to the SBCCD Police so the Department can make a determination regarding issuing an alert.

If community members report crimes or serious incidents to other campus administrators, those administrators should notify the Police Dept. Representatives of these offices will promptly notify the SBCCD Police Department to issue a Campus Safety Alert, if one is appropriate.

Depending on the particular circumstances of the crime or other incident, specifically in those situations that could pose an immediate threat to members of the campus community, an emergency notification will be made.

#### **Distribution of Campus Safety Alerts:**

The Department distributes Campus Safety/Crime Alerts in various ways. Once the SBCCD Police Department determines that an alert will be issued, the department e-mails the announcement and posts it on its Web site ([www.sbccd.org](http://www.sbccd.org)). The Department also posts alerts on bulletin boards throughout common areas on campus.

This policy is reviewed annually. The SBCCD Police Dept. is responsible for implementing this policy.
