Smoking Enforcement

Starting January 2013, The District Police Department will start issuing citations for those who smoke outside the designated areas. This is in accordance with California Government Code 7597.1(A) and Board Policy 3570. The civil penalty (fine) is \$50.00

When you come to work, don't leave your crime prevention sense at home. Almost any crime that can happen at home or in your neighborhood can happen in the workplace. But common-sense prevention skills can help make life at work safer for all.

Help prevent office theft and other crimes.

- Keep your purse, wallet, keys or other valuable items with you at all times or locked in a drawer or closet.
- Check the identity of any strangers who are in your office. Ask them who they are visiting and if you can help them find that person. If this makes you uncomfortable inform security or management about your suspicions.
- Always let someone know where you will be, whether you're arriving or working late, going to the photocopier or mail room, going out to lunch or to a meeting.
- Mark your personal items.
- Report any suspicious individuals, broken or flickering lights, dimly lit corridors, doors that don't lock properly or broken windows. Don't wait for someone else to do it.
- Be discreet. Don't advertise your social life or vacation plans (and those of your co-workers) to people visiting or calling your place of work.

Other tips for staying safe at the office

- Don't work late alone.
- Create a buddy system for walking to parking lots or public transportation, or ask security to escort you.
- When you are in parking lots or garages, choose a well-lit, well-guarded parking garage.
- Always lock your car and roll the windows up all the way. If you notice any strangers hanging around the parking lot, notify District Police by calling ext. 4491.
