New Laws Coming to California in 2014

With the New Year, comes new laws. The next few Police Beat Issues will discuss several new laws that take effect this year in California.

PLASTIC BAG BAN

Shoppers in the city of Los Angeles will have to bring their own reusable bags or fork up 10 cents per sack at large retail stores, starting Jan. 1, 2014. Smaller stores have until July 1, 2014, to phase out single-use plastic bags. The ordinance was a priority issue for the environmental community and Hollywood celebrities. Nearly 10,000 reusable bags are being handed out across Los Angeles to raise awareness for the citywide single-use, plastic bag ban. An ordinance amending Title 12 - Environmental Protection of the Los Angeles County Code, relating to regulating the use of plastic carryout bags and recyclable paper carryout bags and promoting the use of reusable bags within the County unincorporated area. The ordinance is as followed:

12.85.010

- A. "Customer" means any person purchasing goods from a store.
- B. "Operator" means the person in control of, or having the responsibility for, the operation of a store, which may include, but not limited to, the owner of the store.
- C. "Person" means any natural person, firm, corporation, partnership, or other organization or group however organized.
- D. "Plastic carryout bag" means any bag made predominantly of plastic derived from either petroleum or a biologically-base source, such as corn or other plant sources, which is provided to a customer at the point of sale. "Plastic carryout bag" includes compostable and biodegradable bags but does not include reusable bags, produce bags, or product bags.

According to ordinance **12.85.050 Use of reusable bags** all stores must provide reusable bags to customers, either for sale or at no charge.

Emergency Preparedness

This Week: Do you have an out-of-state contact for emergencies? In a major disaster, it is possible that phone service will be unavailable for the local area. BUT, you may still be able to call out of state. Make sure your whole family knows who to contact. Cell towers might be jammed, but text messages have a better chance of getting through than a phone call. Text **IMOK** to let them know you are OK! For more information on being prepared, check out: www.Ready.gov
