## NO MORE

NO MORE is a new unifying symbol designed to galvanize greater awareness and action to end domestic and sexual assault. Supported by major organizations working to address these urgent issues, NO MORE is gaining support with Americans nationwide, sparking new conversations about these problems and moving this cause higher on the public agenda.

The next time you're in a room with 6 people, think about this:

- 1 in 3 women and 1 in 4 men experience violence from their partners in their lifetimes.
- 1 in 3 teens experience sexual or physical abuse or threats from a boyfriend or girlfriend in one year.
- 1 in 5 women are survivors of rape.
- 1 in 2 women and 1 in 5 men have experienced some form of sexual victimization in their lives.
- 1 in 4 women and 1 in 6 men were sexually abused before the age of 18.

These are not numbers. They're mothers, fathers, brothers, sisters, children, co-workers and friends. They're the person you confide in most at work. The guy you play basketball with, the people in your book club, your poker buddy, your teenager's best friend— or your teen, herself. The silence and shame must end for good.

The impact of Project Clothesline has been widespread, thus realizing our goal to expand the Project across this nation and beyond. As of 2001, there are "Clotheslines" in over 500 communities and several foreign countries.

Come join the movement! Create a shirt at the tables on campus on the below dates & time

CHC: 4/23 & 4/30

## EMERGENCY PREPAREDNESS

**This Week:** PEOPLE WITH ACCESS AND FUNCTIONAL NEEDS in emergencies. Did you know that nearly 50% of the population has access and functional needs? This includes children, the elderly, hearing and sight impaired, physical and mental impairments, and other needs. Help make a Communications Plan for yourself and/or family members and friends who have special needs in disasters. Be a part of their support network and help them customize their emergency kits. For example, their kit may contain items such as durable medical equipment, assistive technology, food for special diets, prescription medicines, diabetic supplies, hearing aids and batteries, a TTY, manual wheelchair, and supplies for a service animal. For more information check out:
