SBCCD Police Dispatch is available Monday-Friday from 7:00 am-10:00 pm. After 10:00 pm and on weekends, our phones are transferred to the San Bernardino County Sheriff's Department who dispatch SBCCD Officers to calls.

The Violence Against Women Act (VAWA) seeks to address the violence women face on campus: highest rates of stalking, highest risk of non-fatal intimate partner violence, and 20-25% of female students experiencing rape or attempted rape.

TRANSPARENCY: Incidents of domestic violence, dating violence, sexual assault, and stalking will be disclosed in the Annual Security Report that maintains crime statistics. Any student or employee reporting victimization of one of these crimes will be provided with their rights to:

- Be assisted by campus authorities if reporting a crime to law enforcement
- Change academic or work situations to avoid a hostile environment
- Obtain or enforce a no contact directive or restraining order
- Have a clear description of their institution's disciplinary process and know the range of possible sanctions
- Receive contact information about existing counseling, health, mental health, victim advocacy, legal assistance, and other services available both on-campus and in the community

ACCOUNTABILITY: VAWA clarifies minimum standards for institutional disciplinary procedures covering domestic violence, dating violence, sexual assault, and stalking to ensure:

- Proceedings shall provide a prompt, fair, and impartial investigation and resolution and are conducted by official receiving annual training on domestic violence, sexual assault, and stalking
- Both parties may have others present during an institutional disciplinary proceeding and any related meeting, including an advisor of their choice
- Both parties will receive written outcomes of all disciplinary proceedings at the same time

EDUCATION: Training and programming will be provided to students and employees addressing the issues of domestic violence, dating violence, sexual assault and stalking. Educational programs shall include:

- Prevention and awareness programs for all incoming students and new employees
- Safe and positive options for bystander intervention
- Information on risk education to recognize warning signs of abusive behavior
- Ongoing prevention and awareness programs for students and employees
