The Code 3 Vehicle - "Please Abide, Move Aside"

At an Intersection:

If you hear a siren or see flashing lights at an intersection, you should:

- Stop at the limit line or at the crosswalk if facing a red tri-light signal;
- Yield the right-of-way when safely able to do so, which may mean driving through the intersection on a green tri-light prior to pulling over to the right;
- Wait for all emergency vehicles to pass before getting back on the road. Remember, there may be more than one emergency vehicle responding Code 3; and
- If the operator of the emergency vehicle requests you to move in a certain direction via the public address (PA) system, please do so expeditiously.

Don't Panic!

Don't' pull into the intersection on a red light!

Don't' stop in the middle of the intersection!

On a Street:

If you hear a siren or see flashing lights on a street, you should:

- Pull over to the right when safely able to do so;
- Slow down and stop to make a safe lane of passage for the emergency vehicle; and
- If the operator of the emergency vehicle requests you to move in a certain direction via the PA system, please do so expeditiously.

On a Freeway:

If you hear a siren or see flashing lights on a freeway, you should:

- Pull over to the right when safely able to do so;
- Continue to move forward at a safe speed; and
- If the operator of the emergency vehicle requests you to move in a certain direction via the PA system, please do so expeditiously.
