SBVC: Neighborhood Parking Restrictions

At the City of San Bernardino City Council meeting on May 6, 2013, a unanimous decision prompted by residents in the neighborhood around San Bernardino Valley College led to the development of a "resident parking by permit only" restriction on many streets surrounding SBVC.

In June 2013, signs like the one pictured right were erected along the "resident parking by permit only" routes in front of neighbors' homes on Esperanza Street, Eureka Avenue, Hazel Avenue, K Street and Mission Drive. The City of San Bernardino has been enforcing the new policy since June 2013.

Important Reminders

- * Parking in the restricted areas is by residents only who must show a permit issued by the City of San Bernardino (available only to residents in the immediate neighborhood)
- * Parking decals issued by SBVC for parking on campus are **NOT** the same as parking permits issued by the City of San Bernardino for the restricted neighborhood parking areas. Students attempting to park on the "permit only" side of the city streets with an SBVC parking decal will be cited by the City of San Bernardino.
- * Parking on the SBVC side of the listed streets (Esperanza and K Street) is still free and permissible without any SBVC parking decal or City of San Bernardino permit.
- * Free parking is available for students at the Pro Swap Meet (632 S. Mt Vernon Ave.).
- * SBVC parking decals area available via WebAdvisor and are the lowest amongst community colleges in the Inland Empire.
- * Parking on campus on the weekends is free (no decal needed)
