Another school campus shooting. While the odds are low that you personally will be involved in such an incident, you may be asking yourself “What should I do? Or, What can I do?,” if faced with a similar situation. Experts all agree that there are three basic actions one should take in such a violent situation: Run, Hide, or Fight.

Run – Escape the area whenever possible and then notify authorities *only when it’s safe to do so*.

Hide – Get to a securable location where you can hide away from the shooter. Turn off any lights, stay quiet, and notify authorities *only if it’s safe to do so*.

Fight – This is the option of last resort. If you’re unable to secure your hiding location, prepare to fight or use force against the shooter.
