## MISSION STATEMENT

The SBCCD Police Department, in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees. This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and the community.

## Annual Security Report

The San Bernardino Community College District’s (SBCCD) 2018 Annual Security Report (ASR) is now available online at <http://sbccd.org/asr>. This report contains crime statistics for Crafton Hills College, San Bernardino Valley College and EDCT. The report was prepared by the SBCCD Police Department (PD) management team, in cooperation with several college offices and surrounding police agencies. The ASR is mandated by Federal law to be published by institutions of higher education by October 1<sup>st</sup> of each year.

You may also request a paper copy of the ASR at the SBCCD PD office, the SBCCD and various locations on each campus.

## Halloween Safety Tips

As we approach October 31st, the SBCCD PD wanted to take a moment to provide some helpful Halloween safety tips. These apply to both on campus and off campus. Some revelers who are intent on remaining true to character may find it necessary to augment their costumes with facsimile or replica weapons. Always be cognizant that facsimile or replica weapons can be mistaken for real weapons and create a great deal of anxiety for unsuspecting community members. Also, a reminder that facsimile and replica weapons are strictly prohibited on all SBCCD college campuses.

Individuals from time to time have taken on the persona of the mask they wear. One example would be putting on a clown mask and chasing those who fear clowns. This type of behavior may have its place at “Fright Night” promotions within confined amusement parks, but is unsafe on a college campus and could result in injury to innocent SBCCD community members.

As a reminder, if you choose to indulge be responsible with the consumption of alcoholic beverages. If you go to a party, consider going with a friend or group of friends and look out for one another. Never accept a drink from someone you do not know. Strength, tolerance and the combination of alcohol and prescription drugs can influence a person’s level of intoxication. Lastly, consider using a ride share service or having a designated driver. Your safety is extremely important to us at the SBCCD PD. - (Source: Chief Frank Montanez, Chaffey College)
