IN CASE OF EMERGENCY DIAL 911

SBCCD Police is available 24 hours / 7 days a week at (909) 384-4491

For daily incidents reports and other crime information, go to the Police Web site: <http://sbccd.org/police>

MISSION STATEMENT

The SBCCD Police Department, in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees. This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and the community.

DISTRACTED WALKING

Texting—it is one of the easiest, convenient, and most common forms of communication we use with family and friends. It’s the best way to stay in touch with people outside of social media. But problems arise when we text as we attempt to complete our daily tasks. Walking and texting at the same time is most common combination, and it is definitely dangerous. Why? Because it takes away your ability to be alert and aware of your surroundings. It makes your more vulnerable to crime. It has been proven that distraction from texting while walking can cause pedestrians to walk into street signs, doors, walls, and also to cross streets unsafely. Not only that but trips and falls can occur from un-observed objects, and being struck by a vehicle is more than just a possibility, it is on the rise!

Head Up, Phone Down!

The solution to distracted walking is fairly simple:

1. Do not use your cell phone or engage in other distracting activities while walking.
2. Focus solely on the task at hand – getting from point A to point B in one piece.
3. Don’t worry about checking your phone until once you have safely arrived.

If you simply cannot wait to send that text, take that call, or check your email, stop walking before answering. Keep your head up and your phone down!

EMERGENCY KIT FOR CARS

No one wants to think about getting into car accidents or mechanical problems while they are on the road – but the fact is, these issues are a reality for most drivers. That is why it is important to always have a backup plan, in the form of an emergency kit for your car. There are several basic items that you should keep in your car’s emergency kit year-round:

- Car Jack
- Basic Tool Kit
- Flashlight (w/extra batteries)
- First Aid Kit
- Jumper Cables
- A Blanket
- Safety Flares
- Warning Triangle
- Cell Phone Charger
- Duct Tape
- Drinking Water
- Non-Perishable Food

An emergency kit is something you should store in your vehicle at all times, so that no matter what happens while you are on the road, you will be prepared!

IF THERE IS AN EMERGENCY, CALL 9-1-1.
