MISSION STATEMENT

The SBCCD Police Dept. in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees. This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and the community.

SBCCD PD OFFICER OF THE YEAR

Police Officer James M. Quigley was born in Redlands, California and graduated from Redlands High School in 2012. While attending San Bernardino Valley College (SBVC), he was fated to meet the love of his life, Kirsten, who he married in 2021.

Officer Quigley was first employed by San Bernardino Community College District (SBCCD) Police Department (PD) in 2016 as a College Security Officer. Officer Quigley left SBCCD and joined the Redlands PD in 2017. After the successful completion of the San Bernardino County Sheriff's Department's Basic Academy, he went through field training with Redlands PD. We were fortunate to acquire him back from Redlands PD in March 2019 as a College Police Officer.

Officer Quigley is continually striving to attain higher knowledge through courses at colleges and universities. He received an Associates of Arts degree from SBVC majoring in Social and Behavioral Science, a Bachelor of Arts degree from California State University, San Bernardino majoring in Applied Economics, and a Master's Degree in Management

and Leadership from Western Governors University. He continues to take every opportunity to further develop his overall skills and working knowledge by completing online and in-person advanced officer training courses accredited by the California Commission on Peace Officer Standards and Training (POST).

Officer Quigley is a vital part of our organization. He is compassionate and caring when engaging anyone he encounters on each campus. For instance, he discovered a young Bulgarian gentleman on campus one night with a torrent of rain falling. The 18-year-old man had returned to the United States to reunite with his adopted parents. However, his adopted parents turned him away, leaving him instantly homeless. The young man had his luggage with the airline tags still attached to the handles. Officer Quigley immediately searched through his work bag to offer the young man pamphlets with resources to assist him during his time of need. Officer Quigley gave the young man his business card and told the young man to contact him if needed.

Officer Quigley never shies away from work and has an excellent work ethic. He is reliable, responsible and professional, which makes Officer Quigley an ideal employee and police officer. Officer Quigley is kind, mild mannered and compassionate while engaging with members of the campus community and other stakeholders. As a result of his professional rapport, subjects have been known to cooperate with him, which makes Officer Quigley's job much easier and the overall image of the Department and law enforcement as a whole more professional.

Officer Quigley has a love for riding motorcycles and can be seen riding into work nearly every day. He enjoys the outdoors and likes to go on hikes on the nearby mountains trails, camping in the San Bernardino mountains, and exploring trails on his dirt bike. The SBCCD custodial staff has complimented Officer Quigley for his culinary skills and is rumored to be able to smoke a delicious brisket.

The SBCCD PD is honored to recognize Officer James Quigley as our Department's Officer of the Year.
