Found Property

The Police Department is the central-
ized location for all found property.
Please turn in any found items so
they can be returned to the rightful
owner. You can also call to have
found items picked up. If you have
lost something feel free to stop by
the police department and check if
lost item has been turned in.

Safety Tip

A few notes about getting into your
car in a parking lot and/or parking
garage:

- Be aware: look into your car, at the
passenger side floor, and in the
back set.
- If you are parked next to a big van,
enter your car from the passenger
door. Most serial killers attack
their victims by pulling them into
their vans while the women are
attempting to get into their cars.
- Look at the car parked on the
driver's side of your vehicle and
the passenger side...if a male is
sitting alone in the seat nearest
your car, you may want to walk
back into the mall or work and get
a guard/policeman to walk you
back out. It is always better to be
safe than sorry. (And better para-
noid than dead).
