Found Property

The Police Department is the centralized location for all found property. Please turn in any found items so they can be returned to the rightful owner. You can also call to have found items picked up. If you have lost something feel free to stop by the police department and check if your lost item has been turned in.

HAPPY THANKSGIVING AND DRIVE SAFELY

1. Have a reliable designated driver. There are severe legal consequences for driving drunk, not to mention drunk driving runs the risk of injuring and killing others. Designate a driver who will remain sober, or arrange for a ride. There are also taxi services
2. Be responsible. The night before Thanksgiving can be ideal for catching up with friends and family. But it's important to be responsible about how much alcohol is consumed. Eating, drinking water and switching between alcoholic and non-alcoholic beverages helps control alcohol intake. Again, never drink and drive.
3. Beware of drunk drivers on the road. Stay off the roads during peak crash hours. If it's necessary to be on the road as a sober driver or passenger, be aware of the surroundings, take into account the weather and surrounding vehicles, and wear a seat belt.
4. Don't speed or drive distracted. Speeding is a major cause of car accidents. Higher speeds reduce reaction time and increase the forces in a collision. Distracted driving and texting while driving can increase the likelihood of getting into a car accident by 23 percent.
5. Again, don't drink and drive!
6. Try to hit the road on Tuesday and return either on Saturday or Monday when traffic is not as heavy.
7. Be prepared for a lot of traffic and try to have patience.
8. Allow for plenty of time on the road, and be prepared for the weather.
9. Look up directions ahead of time to avoid getting distracted by maps or GPS navigation systems.
10. Don't drive distracted.
11. Get enough rest and don't drive during sleeping hours.
