Found Property

The Police Department is the centralized location for all found property. Please turn in any found items so they can be returned to the rightful owner. You can also call to have found items picked up. If you have lost something feel free to stop by the police department and check if your lost item has been turned in.

WEAPONS ON CAMPUS

Weapons are prohibited on campus. In addition to the traditional penal code sections, our board policy states students may be sanctioned for the following:

“Possession or use of any firearm, explosive device, dangerous chemical, or other deadly weapons while on college property or at college-sponsored activities.”

What is a weapon?

A weapon is anything that can be used to hurt or injure someone. Weapons could be but are not limited to the following:

- Knives
- Guns
- Pepper Spray
- Hands, Fists, Feet

Any object used to hurt or injure another

What weapons are not permitted on campus?

Most weapons are not permitted on campus. For example:

- Any knife including a belt buckle knife, dirk dagger, cane sword, pen knife, lipstick knife, switchblade, butterfly knife or any knife that has a blade longer than 2 1/2 inches, opens automatically or has more than one sharp edge

- Nunchaku
- Metal knuckles
- Airsoft, pellet or BB gun

Any concealed weapon (hidden from plain sight)

When can I have a weapon?

Some self-defense weapons can be carried on campus within legal limits:

- You can have pepper spray as it is for self-defense, not larger than 2.5 oz. and contains a "Warning" label.

What about if I have a knife?

You can have a knife, such as a pocket knife, as long as the blade is not more than 2 1/2 inches long, it does not open automatically and has only one sharp edge.

What happens if I am found in possession of a weapon on campus?

The punishment for having a weapon varies depending on the type of weapon. Punishments can be fines, imprisonment and student discipline sanctions.

Notice on Airsoft Guns

Airsoft guns, often marketed as "toys", can be nearly identical to the actual firearms and often contain interchangeable parts. As such, they are **indistinguishable from actual firearms and should never be displayed in public places.**
