Found Property

The Police Department is the centralized location for all found property. Please turn in any found items so they can be returned to the rightful owner. You can also call to have found items picked up. If you have lost something feel free to stop by the police department and check if your lost item has been turned in.

Stay Alert Campus Safety Tips

Most crimes reported to the District Campus Police Department involve property rather than personal danger. You can minimize your chances of becoming a victim by following these common sense safety tips:

- Lock-Up your car when on campus.
- Keep valuables out of sight.
- Lock your purse in a drawer in your office, and lock your office door even if you are only stepping down the hall or teaching a class.
- Don't leave property unattended. It takes a thief only seconds to take your valuables. Many of the reported thefts have occurred when the victim was nearby.
- Identify your belongings. Put your name or other identifying marks some where in your textbooks. Engrave items that might interest a thief – anything that is portable and valuable. Marking valuables is a proven way to discourage theft.

Walking the Campus

The College campus is active well into the evening hours due to the popularity of afternoon and evening classes with many students. The campus is well lit and the campus police and security officers make regular patrols during the evening hours to insure the safety of our students, faculty, staff and visitors.

Below are safety tips for evening students:

- Stay alert and don't be distracted! Be aware of your surroundings.
- Trust your instincts. Leave an area if you are uncomfortable.
- Walk facing traffic and walk only in areas that are well lit.
- Walk with friends or classmates whenever possible.
- Become familiar with the location of campus phones and call boxes.
- If you are uneasy about walking to your car after dark, call the District Police Department and request an escort. They will be glad to assist you.

Car Problems

District Police officers can assist students in need of minor road services. If your car needs to be jump-started the officer can help. Campus officers can pump up a flat tire. (Sorry, no flat tires can be changed, and officers cannot leave campus to assist). We will no longer be able to perform lockout service on your vehicle, but will assist you with contacting a qualified locksmith of your choice.
