Motor Vehicle Theft/Burglary Prevention Tips

Parking Lots are prime targets for thieves. With that in mind, the SBCCD Police Department has compiled the following tips to help prevent and deter auto thefts and burglaries on campus:

1. Report all suspicious persons or vehicles around parking areas to the District Police Department immediately.
2. Keep your vehicle locked and the windows rolled up tightly.
3. Never leave your vehicle running when unattended.
4. When parking, choose a well-lit, heavily traveled area.
5. Packages, luggage, and other valuables should be locked in the trunk.
6. Keep a record/log of serial numbers for your vehicles' electronic equipment.
7. Consider having different keys for your vehicle ignition, doors, and trunk.
8. Keep spare keys in your wallet or purse, not inside the vehicle where a thief can easily find them.
9. Consider the installation of anti-theft devices such as alarm systems, hidden ignition or fuel "kill" switches, steering column ignition switch protectors, steering wheel to brake pedal bar caps.
10. Keep a record of your vehicle identification number (VIN), license plate, registration tag number and title certificate number.

MISSION STATEMENT

The SBCCD Police Department, in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees. This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and community.
