VETERANS DAY

Veterans Day is intended to honor and thank all military personnel who served the United States in all wars, particularly living veterans. It is marked by parades and church services and in many places the American flag is hung at half mast. A period of silence lasting two minutes may be held at 11am. Some schools are closed on Veterans Day, while others do not close, but choose to mark the occasion with special assemblies or other activities.

History

On the 11th hour of the 11th day of the 11th month of 1918 an armistice between Germany and the Allied nations came into effect. On November 11, 1919, Armistice Day was commemorated for the first time. In 1919, President Wilson proclaimed the day should be "filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory". There were plans for parades, public meetings and a brief suspension of business activities at 11am.

In 1926, the United States Congress officially recognized the end of World War I and declared that the anniversary of the armistice should be commemorated with prayer and thanksgiving. The Congress also requested that the president should "issue a proclamation calling upon the officials to display the flag of the United States on all Government buildings on November 11 and inviting the people of the United States to observe the day in schools and churches, or other suitable places, with appropriate ceremonies of friendly relations with all other peoples."
