## **It's Starting To Look A Lot Like Christmas!**

It's that time of year to deck the halls, and although Christmas lights look lovely in the night, you want to make sure they don't put you in the dark, or in harm's way.

### **Follow these bright tips!**

- \* First and foremost, check all your equipment. Don't jump on a ladder if it's creaky or too old.
- \* Make sure all your lights are working before you get up on the ladder. The less time on a ladder, the better.
- \* To avoid blowing the fuses on the line, a good rule of thumb is to make sure your only plugging in three strands end-to-end. If not you may find yourself in the dark.

Decorating the tree with Christmas lights is a long-standing tradition in many homes. Ensure this year's holiday season will be filled with fun and not with worry!

- \* Never decorate the Christmas Tree with lit candles.
- \* Make sure the Christmas Tree stand is sturdy.
- \* Always be sure to care for a real Christmas Tree. Letting the tree dry out can cause a fire if the lights around the tree become too hot.
- \* Make sure your pets stay away from the Christmas Tree. Having animals play around or in the tree can cause the tree to fall over damaging items in the surrounding area.
- \* Always watch your children around the Christmas Tree, not only for the lights and electrical cords, but also for glass ornaments that may break if they fall from the tree and land on a hard surface.
- \* Remember the holiday season is all about making memories and repeating traditions.

## **MISSION STATEMENT**

The SBCCD Police Department, in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees. This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and community.
