IN CASE OF AN EMERGENCY
DIAL 911

"Go Blue for SBPD Officer Garcia"

SBCCD Police Dispatch is available Monday—Friday from 7:00am — 10:00pm. After 10:00pm and on weekends, our phones are transferred to the San Bernardino County Sheriff's Department who dispatch SBCCD Officers to calls.

On August 22, 2014, San Bernardino Police Officer, Gabriel Garcia was shot in the line-of-duty while conducting a pedestrian check in the city of San Bernardino. Officer Garcia was transported to a local hospital where he is still being treated and remains in critical condition. The public has been supportive for Officer Garcia and his family. A week after the incident, an organization called Go Heroes.us launched a Facebook campaign for members of the community to purchase blue lights and turn them on in support of his recovery. The campaign grew with thousands of followers and blue lights soon disappeared from stores within the Inland Empire.

In the law enforcement profession, the color blue has a long history dating back to the late 1800's, blue was for protection and safety. Blue represents courage, faith, and hope which is why a blue light illuminates over the National Peace Officer Memorial while commemorating the sacrifices of past peace officers.

On Monday September 22, residents were asked to "Go Blue" for Officer Garcia's recovery. Residents and government agencies from all over the Inland Empire participated in this campaign by replacing lights on the outside of their residence / building(s) with blue lights. The Rialto Police Department illuminated the front of their station with blue lights, Colton City Hall did the same. In Corona, blue lights illuminate the police department, city hall, and the Corona Police Officers Association office.

Members of the SBCCD PD participated in this program as well. We hope others in and outside of our District will participate and show support for Officer Garcia's recovery.

Residents in Barstow, Colton, Redlands, Riverside, Fontana, Chino, Corona, Cathedral City, Palm Springs and Upland can go to their local police departments and pick up a free blue light (if one is still available). These lights are also available at your local hardware store. You don't need to replace all the lights on your residence to show support; one will suffice.

This campaign is set to stay in place until Officer Garcia recovers. If you would like to make a donation to Officer Garcia's fund, go to www.thesbpoa.org
