## **Crime Prevention Tips for Athletic Facilities**

Campus safety is everybody's business. Campus Safety Officers cannot be everywhere at once, consequently, they depend on you to recognize and report suspicious and criminal activities. The extent of your cooperation greatly influences the Campus Safety Officers' effectiveness in combating crime.

### **Doing Your Part**

1. Avoid using athletic facilities alone, especially after dark or during off-hours.
2. Use the "buddy system." Workout with a friend, and make arrangements to leave the facilities together.
3. Confine your running and jogging to the daylight hours and to open well-traveled areas. If you run or jog at night you should wear a reflective vest.
4. Avoid showering alone in the locker room.
5. In the locker rooms:
  - A. Become familiar with the location of facility phones.
  - B. If there is another person in the locker room, ask for them to wait for you.
  - C. If you encounter an intruder in the locker room:
    - Call for help.
    - Keep out of the intruder's way; do not attempt to detain.
    - Formulate a description of the intruder in your mind.
    - Notify the Campus Police Department by dialing **909-384-4491** or extension **4491** on a campus phone.

## **Emergency Preparedness**

**This Week:** Are you prepared for disaster? Do you know how much extra water to have at your home? 1 gallon per person per day for a minimum of 3 days, but a week is better! Please don't forget extra water for your pets too! For more information on being prepared, check out [www.Ready.gov](http://www.Ready.gov)

## **MISSION STATEMENT**

The SBCCD Police Department, in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees. This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and community.
