Assembly Bill 1371

Vehicles: Bicycles: Passing Distance

This new law adds the Three Feet for Safety Act which states that a driver of a motor vehicle shall not overtake or pass a bicycle proceeding in the same direction on a highway at a distance of less than three feet between any part of the motor vehicle and any part of the bicycle or its operator.

- * The driver of a motor vehicle overtaking and passing a bicycle that is proceeding in the same direction on a highway shall pass at a safe distance. The distance shall not interfere with the safe operation of the overtaken bicycle; having due regard for the size and speed of the motor vehicle and the bicycle, traffic conditions, weather, visibility, and the surface and width of the highway.
- * A driver of a motor vehicle shall not overtake or pass a bicycle proceeding in the same direction on a highway at a distance of less than three feet between any part of the motor vehicle and any part of the bicycle or its operator.
- * If the driver of a motor vehicle is unable to comply with the three foot rule, due to traffic or roadway conditions, the driver shall slow to a speed that is reasonable and prudent, and may pass only when doing so would not endanger the safety of the operator of the bicycle, taking into account the size and speed of the motor vehicle and bicycle, traffic conditions, weather, visibility, and surface and width of the highway.

Emergency Preparedness

This Week: Building a disaster kit: Suggested items include the following: water, non-perishable food such as canned goods, cereals, peanut butter, salt-free crackers, protein bars, dried fruits, canned juices, (include special dietary needs), vitamins, a manual can opener, moist towelettes, garbage bags and ties (for personal sanitation), first aid kit, flashlight, extra batteries, battery powered or hand crank radio, cell phone car charger or solar charger, pet food and extra water for pets, prescriptions, extra glasses, cash in small bills, fire extinguisher, extra clothing, sturdy shoes, sleeping bag or warm blanket for each person, paper cups, plates, utensils, towels, paper, pens, books, games, or other activities for children, infant formula, diapers, powdered milk, etc. Customize your kits to fit the needs of you and your family.
