- ⇒ Don't share a drink with anyone.
- ⇒ Don't take drinks from a punch bowl, or from a container that is being passed around.

## EMERGENCY PREPAREDNESS

**This Week:** THE 12 WEEK PLAN: In case you haven't already started getting your disaster supplies ready, over the next 12 weeks in Police Beat you will find suggestions on what to buy or gather together from your home to BE PREPARED for disasters. Save these articles and get started now! Ready? WEEK 1: Consider purchasing a large container on wheels, like a new trash can with lid, or duffle bags, backpacks, or suitcases that you can "grab and go" for you to store your emergency supplies. EVERY week purchase several gallons of water to eventually have 1 gallon per person in your house, per day, for at least 10 days. For more info: [www.ready.gov](http://www.ready.gov)

## MISSION STATEMENT
