#### IN CASE OF AN EMERGENCY

**DIAL 911**

# Hands-Free is Not Risk-Free

Thousands die needlessly each year because people continue to use their cell phones while driving, handheld or hands-free. The National Safety Council and the SBCCD Police Department are urging those you care about to:

- \* Stop using cell phones while driving
- \* Recognize that hands-free devices offer no safety benefit
- \* Understand the dangers of the cognitive distraction to the brain
- \* Tell others about the dangers of cell phone distracted driving

#### Key Facts and Statistics

- \* The number of people killed in distraction-affected crashes decreased slightly from 3,360 in 2011 to 3,328 in 2012. An estimated 421,000 people were injured in motor vehicle crashes involving a distracted driver, this was a nine percent increase from the estimated 387,000 people injured in 2011.
- \* 10% of all drivers under the age of 20 involved in fatal crashes were reported as distracted at the time of the crash. This age group has the largest proportion of drivers who were distracted.
- \* Drivers in their 20s make up 27 percent of the distracted drivers in fatal crashes. (NHTSA)
- \* Five seconds is the average time your eyes are off the road while texting. When traveling at 55mph, that's enough time to cover the length of a football field blindfolded. (2009, VTTI)

## Emergency Preparedness

**This week:** THE 12 WEEK PLAN: WEEK 9: Last week you should have gathered supplies for starting and extinguishing fires. This week is about some miscellaneous items. You have already gathered your food, but did you remember to pack paper plates, plastic cups, and plastic utensils so you can eat the food and drink the fluids? For personal clean ups, you need to pack moist towelettes, toilet paper, paper towels, napkins, feminine products, garbage bags and ties. For more info: <http://www.ready.gov/basic-disaster-supplies-kit>

## MISSION STATEMENT

The SBCCD Police Department, in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees. This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and community.
