IN CASE OF EMERGENCY DIAL 911

SBCCD Police Dispatch is available Monday-Friday from 7:00 am-10:00 pm. After 10:00 pm and on weekends, our phones are transferred to the San Bernardino County Sheriff's Department who dispatch SBCCD Officers to calls.

For daily incidents reports and other crime information, go to the Police Web site:

Sexual Assault Awareness Month

Impact of Campus Sexual Violence

The impact of sexual assault can be wide ranging and can have long-term impacts. Survivors can experience an increased risk for post-traumatic stress disorder, substance abuse and depression. As a result a survivor might have difficulty academically, and often will drop out of school.

Prevention 101

There are many pieces that must come together in order to create a comprehensive approach to ending sexual violence. Awareness, risk reduction, response, and prevention are all pieces of that puzzle.

- **Awareness** increases understanding of what sexual violence is and its prevalence
- **Risk-reduction** approaches may help individuals identify warning signs and learn safety tips
- **Response** occurs following an assault and works to lessen the impact of trauma on survivors and those who are close to them
- **Prevention** goes beyond raising awareness and reducing risk and engages campus communities in creating long-term solutions to social issues
