MISSION STATEMENT

The SBCCD Police Department, in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees. This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and community.

The *Violence Against Women Reauthorization Act (VAWA)* seeks to address the violence women face on campus: high rates of stalking, high risks of non-fatal intimate dating violence and domestic violence.

Transparency, Accountability and Education

The Police Department is dedicated in bringing awareness and promoting campaigns on campuses regarding these issues. The events over this past month such as The Clothesline Project, Denim Day, Poetry Reading, Docu series, guest speaker Bob Hall and live VAWA Training promote an environment where victims can feel comfortable reporting these crimes and that they have a **voice**. Additional resources are available online:

<http://sbccd.org/VAWA>

This presentation was created to help recognize the signs of domestic violence, dating violence and stalking. Also provided is information on bystander intervention; which gives tips on how to effectively intervene or mediate if you should come across one of the aforementioned incidents. Further, the presentation identifies resources that are available to victims of domestic/dating violence and stalking. By presenting this link to the District Community at large, the SBCCD PD is hoping to reach those victims who are hesitant to come forward and seek help on their own

Please click the link to the SBCCD Police Department Victim Packet.

The second link is the victim packet. This document contains national and specific local resources for victims of domestic violence, dating violence, stalking and sexual assault. Also contained is information on the institution's policy for assisting victims and their rights. Moreover, the packet provides information on how to file a restraining order and the options one has when reporting an incident.
