SBCCD PD Officers foil two Burglaries

Within the last month, officers from our department foiled two separate burglaries. The first burglary happened on Sunday, March 28th, in the early morning hours at CHC's Maintenance and Operations Pad. One of our officers was able to respond to the area and get the below pictured suspects in custody before they could cause any damage or steal anything from said area. Both suspects have prior criminal history and were booked at Central Jail for Burglary.

The second foiled burglary happened at SBVC during the evening hours of March 5th. At about midnight, Officer Plasencia noticed suspicious activity inside the construction site of SBVC's new Gymnasium. Further investigation revealed two suspects were inside the construction area attempting to take power tools and equipment. Officer Plasencia interrupted the suspects' activity; preventing them from stealing thousands of dollars' worth of construction equipment. Evidence was also recovered at the scene which is being investigated to identify the two suspects. Good Job Officer Plasencia!!!
