MISSON STATEMENT

The SBCCD Police Department, in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees. This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and community.

Provide shade for your pet. It reduces risk of heat exhaustion.

Limit exercise on hot days. Change your walk schedule to early morning or early evening to avoid the hottest times of the day.

Avoid walking your dog on asphalt.

Water, Water, Water. Make sure your pet has access to plenty of fresh water. Keep some ice cubes in their outdoor water bowls.

Purchase a kiddie pool and place it in a shaded area so your dog can cool down with a dip if it wants to.

Heatstroke can affect your animal the same way it can affect you. Watch out for those signs and take the proper precautions against them.
