### MISSION STATEMENT

The SBCCD Police Department, in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees.

This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and the community.

## ANNUAL SECURITY REPORT

The San Bernardino Community College District (SBCCD), in compliance with requirements of the Jeanne Clery Act, has produced their 2019 Annual Security Report (ASR) which is now available online at <http://sbccd.org/asr>. The ASR provides the crime statistics for Crafton Hills College (CHC), San Bernardino Valley College (SBVC), as well as Economic Development and Corporate Training (EDCT). The report was prepared by the SBCCD Police Department (PD) management team, in cooperation with several college offices and surrounding police agencies. Federal law directs all institutions of higher education to publish an ASR by October 1st of each year.

In order to provide additional access to the report, a printed copy of the ASR can be obtained from the SBCCD PD, SBCCD headquarters, and at various locations on the CHC and SBVC campuses.

## Breast Cancer Awareness Month

October is National Breast Cancer Awareness Month. This year it is estimated that more than 250,000 women within the United States will be diagnosed with invasive breast cancer. Excluding cancers of the skin, breast cancer is the most frequently diagnosed cancer in women. It is the second leading cause of cancer death in American women (after lung cancer).

For now, the best way to find breast cancer early is for women to get regular mammograms and continue to do so as long as they are in good health. The American Cancer Society recommends the following:

- Women between the ages of 40 and 44 have the option to start screening with a mammogram every year. Women between 45 to 54 should get mammograms every year.
- Women 55 and older should switch to mammograms every 2 years, or continue yearly screening.
- Screening should continue as long as a woman is in good health and is expected to live at least 10 more years.

In addition, women can take these steps to help lower their risk of breast cancer:

- Get to and stay at a healthy weight.
- Stay active.
- Limit alcohol consumption to no more than one drink a day.

To find more information, please visit the American Cancer Society website at [cancer.org/breastcancer](http://cancer.org/breastcancer) or call (800) 227-2345.

## Halloween Safety Tips!

Your safety is extremely important to us at the SBCCD PD. As we approach October 31st, we want to provide helpful tips to keep you safe this Halloween, both on and off campus!

You may be intent on remaining true to your character and find it necessary to augment your costumes with toy or replica weapons. Be aware that toy and replica weapons can be mistaken for real weapons and create a great deal of confusion and anxiety for unsuspecting community members and law enforcement personnel. As a reminder, any and all facsimile or replica weapons are strictly prohibited on all SBCCD college campuses.

Some Individuals take on the persona of the mask they wear, such as a clown mask, and chase those who fear clowns. This type of behavior may have its place at parties or Halloween promotional events, but is unsafe on a college campus and could result in injury to innocent SBCCD community members.

If you choose to drink alcoholic beverages, drink responsibly. If you go to a party, consider going with a friend or group of friends and look out for one another. Never accept a drink from someone you do not know. Remember to never mix alcohol and prescription drugs, as this can greatly influence a person's level of intoxication. Last, have a designated driver or use a ride share service to get everyone home safely!
