## MISSION STATEMENT

The SBCCD Police Department, in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees. This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and the community.

**Don't Get Burned!** San Bernardino and the Inland Empire are known for being a little hotter than most surrounding areas. While we can't change the weather, we can take precautions to protect ourselves, loved ones, and our pets from succumbing to extreme heat. In extreme heat, the body must work extra hard to maintain a normal temperature. **The SBCCD PD encourages all to be safe during these days of extreme heat!**

**If you are under an excessive heat warning:**

- Find air conditioning. If not available, community cooling centers may be an option
- Avoid strenuous activities
- Watch for symptoms of heat illness
- Wear loose, lightweight, or light-colored clothing
- Drink plenty of fluids (water and electrolytes)
- Never leave infants or pets in a closed car

**Keep your home cool:**

- U.S Department of Energy recommends setting thermostats to 78° when you are home
- Cover windows and drapes or shades
- Weather-strip doors and windows
- Use attic fans to clear hot air
- Add insulation to keep the heat out
- Reduce reflective sunlight

**Heat related illness, symptoms & best actions**

**Heat exhaustion:** Heavy sweating, paleness, tiredness, weak, dizzy, or nausea.

**Actions** - Go to an air-conditioned place and lie down or take a cool bath.

**Heat stroke:** Extremely high body temperature (above 103° oral); red, hot and dry skin with no sweat; rapid pulse, dizziness, confusion or unconsciousness.

**Actions** - Call 9-1-1 or get to a hospital immediately. Cool down with whatever water methods are available until medical help arrives.

**IF THERE IS AN EMERGENCY, CALL 9-1-1**
