### MISSION STATEMENT

The SBCCD Police Department, in concert with the Board of Trustees, is committed to providing a safe and secure learning and working environment for all students and employees. This will be accomplished through a cooperative and coordinated effort involving all departments and the SBCCD employees, law enforcement agencies and the community.

## ANNUAL SECURITY REPORT

The San Bernardino Community College District (SBCCD), in compliance with requirements of the Jeanne Clery Act, has produced the 2021 Annual Security Report (ASR) which is now available online at [Annual Security Report](#). The ASR provides the crime statistics for Crafton Hills College (CHC), San Bernardino Valley College (SBVC), as well as District Support Operations (DSO). The ASR was prepared by the SBCCD Police Department (PD) management team, in cooperation with several college offices and surrounding police agencies. Federal law directs all institutions of higher education to publish an ASR by October 1st of each year. In order to provide additional access to the report, a printed copy of the ASR can be obtained from the SBCCD PD, SBCCD headquarters, and at various locations on the CHC and SBVC campuses.

## Breast Cancer Awareness Month

October is National Breast Cancer Awareness Month. This year it is estimated that more than 250,000 women within the United States will be diagnosed with invasive breast cancer. Excluding cancers of the skin, breast cancer is the most frequently diagnosed cancer in women. It is the second leading cause of cancer death in American women (after lung cancer).

For now, the best way to find breast cancer early is for women to get regular mammograms and continue to do so as long as they are in good health. The American Cancer Society recommends the following:

- Women between the ages of 40 and 44 have the option to start screening with a mammogram every year.
- Women between 45 to 54 should get mammograms every year.
- Women 55 and older should switch to mammograms every 2 years, or continue early screening.
- Screening should continue as long as a woman is in good health and is expected to live at least 10 more years.

In addition, women can take these steps to help lower their risk of breast cancer:

- Get to and stay at a healthy weight.
- Stay active
- Limit alcohol consumption to more than a one drink a day.

# Shake Out

On October 21, 2021, at 10:21 a.m. millions of people will "Drop, Cover, and Hold On" in The Great ShakeOut, the world's largest earthquake drill ever and all colleges and universities are being encouraged to participate in the drill!

Major earthquakes may happen anywhere you live, work, or travel. The ShakeOut is our chance to practice how to protect ourselves, and for everyone to become prepared. The goal is to prevent a major earthquake from becoming a catastrophe for you, your family, your college, and your community.

Do you know what to do when the ground starts shaking? Why is a "Drop, Cover, and Hold On" drill important? To respond quickly you must practice often. You may only have seconds to protect yourself in an earthquake before strong shaking knocks you down, or something falls on you. You can learn the [7 Steps To Earthquake Safety](#) at [earthquakecountry.org](http://earthquakecountry.org), more about ShakeOut at [ShakeOut.org](http://ShakeOut.org), and remember to Shake Out. Don't Freak Out!
