WOMEN'S HISTORY MONTH

In 2024, Women's History Month celebrates the theme Women Who Advocate for Equity, Diversity, and Inclusion. The theme recognizes women who speak up and are leading change in their fields.

2024 Women's History Month

March is Women's History Month and is devoted to celebrating women's contributions to history, culture and society. What started as a weeklong occasion organized by the school district of Sonoma, California, in 1978 grew to be a nationally recognized celebration. The National Women's History Alliance was the leading force in establishing this movement. With their mission to promote Women's History and their commitment to recognizing the diverse and significant historical accomplishments of women, each year they select a theme for Women's History Month. The 2024 theme is "Women Who Advocate for Equity, Diversity and Inclusion."
