4 COLLEGIAL CONSULTATION

5
6 **MISSION STATEMENT**

7 Collegial Consultation is a process involving faculty, administrators, classified staff and students
8 in deliberations regarding day-to-day and long-range planning and policies for the college. These
9 deliberations lead to recommendations that the Chancellor carries forward to the Board of
10 Trustees for final approval. In issues related to academic and professional matters the Board will
11 rely primarily on the Academic Senate. Other areas of decision-making in regard to Board Policy
12 will be mutually agreed upon between the Governing Board, the Academic Senate,
13 administration, staff and students.

14
15 **PHILOSOPHY OF COLLEGIAL CONSULTATION**

16 Collegial Consultation is the democratic process utilized on campus in decision-making
17 procedures. Successful Consultation creates an environment of awareness throughout the
18 District by having each constituency represented throughout the process. To be effective,
19 collegial Consultation must exhibit the following characteristics:

- 20
- 21 • Capacity to establish directions and goals
 - 22 • React to internal and external stimuli
 - 23 • Move with diligence and timeliness
 - 24 • Provide the campus community with an annual cycle of planning and budgeting
- 25

26 The process is designed to establish the goals, priorities, and objectives of the college. The
27 exercise of administrative prerogatives must reflect these aims in order to perpetuate an
28 environment of mutuality and trust.

29
30 **PRINCIPLES OF COLLEGIAL CONSULTATION**

- 31
- 32 1. The Board of Trustees has final responsibility and authority for approval of college
33 policies and review of Administrative Procedures; any individual may address the Board
34 regarding these policies and procedures.
 - 35
 - 36 2. The Board of Trustees charges the Chancellor with the responsibility for Consultation of
37 the institution; in turn, the Chancellor creates a structure and systematic process for
38 decision-making.
 - 39
 - 40 3. The campus Consultation structure is charged with making recommendations on issues
41 affecting the institution. The District Assembly or other constituent group may initiate
42 discussion, review progress, or initiate a subcommittee to discuss needed policies or
43 administrative regulations. The college and district units will review drafts and make final
44 recommendations to the District Assembly through the constituent groups. Once a
45 consensus is reached the Chancellor is charged with carrying the approved
46 recommendations forward to the Board of Trustees.
 - 47
 - 48 4. The District recognizes the role of collective bargaining in certain aspects of policy
49 development and implementation where salary, benefits, or working conditions are
50 involved in the policy development.
 - 51
 - 52 5. The District recognizes the Academic Senates through its members has primary
53 responsibility for making recommendations in areas of academic and professional
54 matters.
 - 55
 - 56 6. The membership and interrelationships of committees give the Consultation structure an
57 essential role in the decision making process.

7. Broad participation from all segments of the District is encouraged; all four campus constituencies (faculty, management, classified, and students) are represented on Consultation committees except in areas of primacy related to academic and professional matters.
8. Each constituency represented on a committee appoints its own representatives, taking into account not only the needs of the constituency but also the broader needs of the college.
9. Any Collegial Consultation subcommittee, through minutes which are forwarded to its respective standing committee, makes recommendations to the constituent groups for review and then forwards its recommendation on items for District consultation through to the District Assembly. Subcommittees or ad hoc committees are not subject to the strict guidelines of the Brown Act since final action on recommendations take place through the Standing Committees and the District Assembly.
10. The college community as a whole is made aware of the consultation process and has access to it through constituency representation. A consistent effort is made to keep the campus informed through meeting announcements 72 hours prior to the meeting and publication and distribution of the minutes of the meetings. All minutes of college standing committees and the District Assembly will be posted in the college libraries.
11. Collegial Consultation is facilitated by communication, timely and appropriate notice of meetings, public deliberation, full campus participation and published records.
12. Each Collegial Consultation Standing Committee, subcommittee, and ad hoc committee is expected to take action minutes. Each subcommittee is charged with forwarding those minutes to their respective standing committee or constituencies, and to the library. In turn, standing committees are charged with review and action on minutes received from their respective subcommittees.
13. In matters of academic and professional standards, where the Board of Trustees finds compelling cause for not accepting the recommendation of the Academic Senate, the Chancellor shall deliver that rationale in writing delivered by registered mail to the Presidents of the Academic Senates following the action by the Board of Trustees. The Academic Senates shall be provided an opportunity to present their concerns to the Board of Trustees in an open Board meeting.
14. Members to Collegial Consultation committees on campus are appointed by their respective organizations after consultation with the Presidents: faculty by the Academic Senate, students by the Associated Students, classified staff by the CSEA, and administrators by the Presidents. Subcommittees formed by standing committees or ad hoc committees will consist of those members deemed appropriate by the constituencies in consultation with the Presidents. Ad hoc committees will be used rarely and only for specific tasks of short duration which do not overlap with other committees. Managers are invited to sit on academic committees Program Review and Curriculum.
15. Meeting times for each academic year will be set at the first meeting of the academic year and submitted to the Chancellor *or* Presidents for inclusion in the college master calendar. Any conflicts on meeting times will be settled by the Chancellor or Presidents in consultation with the leadership of the various constituencies.
16. Clerical support including taking, editing and distributing minutes; preparing and distributing agendas, preparing, reproducing and distributing documents as directed by the committee shall be provided by a designated responsibility center.
