

INSTITUTIONAL PLANNING

- A. The colleges and District Office, through established committees with representation from faculty, administration, classified staff, and students, will review and recommend planning decisions related to human, physical, technology, and financial resources.
- Applying the criteria of accreditation standards, the planning process will be guided by adopted vision, mission and core values statements and will develop specific goals, objectives and strategies, which have measurable outcomes and specific accountability.
- Action plans will be reviewed and revised annually and approved by the respective planning bodies.
- B. Academic Senate will be the representative body in all academic and professional matters, as defined by Title 5, Section 53200.
- C.. Institutional effectiveness research, program reviews and individual unit plans are utilized in the planning process, which is intended to complement and inform the resource allocation process.
- D.. The Board may assist in developing the general institutional mission and goals for the comprehensive plans through a variety of means, including, but not limited to, the Chancellor's evaluation process, the Board/Chancellor retreat, and any time the Board reviews curriculum items.
- E.. Planning documents will be submitted to the System Office in a timely manner when required.
