4 **INDEPENDENT STUDY**
5

6 Independent study allows students to pursue projects under faculty advisement and supervision.
7 The projects may be directed field experience, research, or development of skills and
8 competencies. Credit for Independent study may be earned in any discipline.
9

10 Independent study projects require a minimum of 48 hours of directed work per unit of credit. The
11 student must show evidence of competence in the academic major and the area in which
12 independent study is proposed. The proposed project must be approved by the supervising
13 instructor with notification to the Vice-President of Instruction.
14

15 Independent study is offered on a pass/no pass basis and may be repeated for credit for a
16 maximum of three units.
