4 CAREER/TECHNICAL PROGRAMS
5

6 Each career/technical program in the District shall appoint career/technical education advisory
7 committees to develop recommendations for the career/technical education programs and to
8 serve as a liaison between the District and its business/industry community partners.
9

10 Each career/technical program shall develop appropriate entrance requirements and discipline-
11 specific competencies that students should master by the time they complete the program. The
12 documentation of these competencies may be demonstrated by program-determined measures,
13 local public agency examinations, national program examinations, success at transfer institutions,
14 and/or employer surveys.
