4 **ACADEMIC RENEWAL**

5
6 **A. Petition**

7
8 A student may petition to alleviate previous substandard academic performance that is not
9 reflective of his/her present demonstrated abilities.

10
11 **B. Terms and Conditions**

12
13 A student may petition to have eliminated from the computation of the total grade point
14 average any units and credits taken during not more than two consecutive terms of
15 attendance, excluding Summer Session, at any accredited college. The terms in question
16 must have been completed at least two semesters prior to the time of submitting the petition.
17 In addition, the student must have completed twenty-four units at an accredited college with
18 a grade point average of 2.5 or better subsequent to the term(s) being petitioned.

19
20 **C. Limits**

21
22 A student may not petition for academic renewal under this policy more than one time and
23 may not exceed a total of thirty units.

24
25 **D. Notation to Record**

26
27 Institutional action taken under this procedure will not remove the courses, units, grades, or
28 any other information from the student's permanent record. A fine line will be drawn through
29 each course affected so that all work attempted, once entered on the record, remains legible
30 and reflects the student's complete academic record.
