6 **Terms and Conditions Governing Community Services Programs**

- 7
8 1. Programs shall be non-credit.
9
10 2. Programs shall be provided on a self-supporting basis.
11
12 3. An advisory committee shall be used for planning and recommending programs.
13
14 4. Programs shall not duplicate or otherwise negatively affect the credit instructional program,
15 except with approval of the college curriculum committee and college president.
16
17 Each college shall propose its own offerings to assure that the needs of the respective
18 communities are met.
19
20 5. Programs shall have access to college facilities and use of equipment, except that such
21 access and use shall not be in conflict with or detrimental to credit instructional programs.
22
23 6. Facilitators are independent contractors and shall sign an agreement delineating all aspects of
24 the activity prior to the commencement of the activity. The Board shall set rates of
25 compensation for facilitators and shall approve all programs/activities prior to the
26 commencement of such program/activity.
27
28 7. Income and expenditures related to Community Services programs, as well as the number
29 and type of programs offered and the student enrollment therein, shall be reported annually to
30 the Board.
