5
6 **REGULAR ADMISSION**

- 7
8 **A.** The colleges of the District shall admit any California resident, and may admit any
9 nonresident, who possesses a high school diploma or the equivalent thereof.
10
11 **B.** The colleges may admit any other person who is over 18 years of age and who, in the
12 judgment of the Board or the college president, is capable of profiting from the instruction
13 offered. Any such person who enrolls as a full-time student shall be admitted as a
14 provisional student and there-after shall be required to comply with the rules and regulations
15 prescribed by the Board of Governors of the California Community Colleges or the
16 Chancellor's Office pertaining to the scholastic achievement and other standards to be met
17 by provisional or probationary students, as a condition to being readmitted in any
18 succeeding semester.
19
20 **C.** Capability to "profit from instruction" shall be determined through the regular college
21 assessment process.
22
23 **D.** The colleges may admit special full-time and part-time students as allowed by the California
24 Education Code.
25
26 **E.** Each person who applies for admittance shall complete the college admissions application
27 form and all related forms required by state or federal government agencies.

31
32 **SPECIAL ADMISSION OF K-12 STUDENTS**

33
34 Any pupil enrolled in grades K-12 from a public school district may apply for admission to a District
35 college upon submitting evidence that the Board of Trustees of the public school district has granted
36 such approval. A parent or guardian of a pupil who is not enrolled in a public school district may
37 petition the college president for such admission. The college president or designee shall review and
38 act upon all applications.
39

40 K-12 Students who enroll in a college of the District shall be exempt from payment of the enrollment
41 fee. All other appropriate fees shall be assessed.
42

43
44 **NURSING PROGRAM ADMISSIONS**

- 45
46 **A.** Students shall be admitted to the San Bernardino Valley College Nursing Program in the
47 fall and spring semesters of each year. In addition to the general requirements for
48 admission to the college, nursing applicants shall be admitted to the Nursing Program
49 subject to the provisions of this policy.
50
51 **B.** Information Meeting
52
53 An information meeting open to all pre-nursing students will be offered by the Nursing
54 Department on a regular basis.

addition, a minimum grade point average (GPA) of 2.5 must be earned overall in the required core courses and maintained throughout the program in order to remain eligible.

3. Minimum Requirements to Qualify for Entry

- a. Eligibility for English 101
- b. Completion or current enrollment in Math 090 or equivalent
- c. Completion or current enrollment in Biology 250, 251, 260, 261, 270
- d. Completion or current enrollment in Psychology 100.

4. Physiology and Microbiology requirements taken more than five years prior to admission to the Nursing Program will not be counted.

5. Courses in progress must be completed by the end of the semester.

6. When the number of applicants who have completed all admission requirements exceeds the number of available spaces, selection of students shall be based on the Nursing Admissions Point System.

7. Point System

a. Point Summary

Core Required Courses	25 points
Humanities	6 points
SBCCD Units	10 points
Three or More Applications	<u>10 points</u>
Total Maximum Points	51 points

b. Selection Process

All students who meet minimum requirements will be ranked according to the number of accumulated points. Students will be admitted by point ranking until the available space in the class is filled. Class size is limited by funding, clinical site space, and classroom space. An additional 20 students will be placed on a waiting list by point ranking to be admitted to the program if space becomes available prior to the second day of class. Up to ten students from the waiting list will be admitted in the following semester. All other students must submit a request in writing by the application deadline to be considered for entry in the following semester. Applications must be updated by providing evidence of additional course work completed or in progress.

c. Points earned for units completed or in progress in (1) Core Required Courses, (2) Humanities Courses which meet SBVC graduation requirements, (3) units completed in other courses within the District, and (4) the number of times a qualified application has been submitted by an individual.
