4 EMERGENCY NOTIFICATION SYSTEM
5

6
7 In a manner that is timely and will aid in the prevention of similar crimes, SBCCD will issue
8 warnings to the campus community on violent crimes against a person, a substantial crime
9 against property or an emergency situation on or near the campus that represents a serious or
10 ongoing threat to the campus community.

11
12 In order to provide notification of an emergency to students, faculty and staff, the Chancellor is
13 responsible for establishing standards for an emergency notification system. A notification
14 system (s) will be used in cases of emergency at any District entity.
