4 **CAPITAL CONSTRUCTION**  
5

6 The Chancellor is responsible for planning and administrative management of the District's capital  
7 outlay and construction program.

8 District construction projects shall be supervised by the Chancellor. The District shall monitor the  
9 progress of all construction work including inspection of workmanship, completion of work to meet  
10 specifications, and the suitability of proposed changes to the scope and original design of the  
11 work.

12 The Board shall approve and submit to the Board of Governors a five-year capital construction  
13 plan as required by law. The Chancellor shall annually update the plan and present it to the Board  
14 for approval. The plan shall address, but is not limited to, the criteria contained in law. Any  
15 changes or modifications shall be submitted to the Board of Governors by the first day in  
16 February.
