1. What technology equipment are you requesting?

The Academy director is a part time college employee and not entitled to a new computer on the regular college computer rotation. His present lap top computer is over ten years old and is not meeting his computer needs.

2. Indicate how the content of the latest Program Efficacy Report and current EMP data support this request How is the request tied to program planning? (*Reference the page number(s) where the information can be found on Program Efficacy.*)

The purchase of replacement computer is not tied to the latest Program Efficacy Report.

3. Indicate if there is additional information you wish the committee to consider (*for example: regulatory information, compliance, updated efficiency, student success data, or planning, etc.*).

None.

4. Evaluation of initial cost, as well as related costs (including any ongoing maintenance or updates) and identification of any alternative or ongoing funding sources. (for example Department Budget or Perkins)

The Police Academies/Criminal Justice Division does not receive any funding from Perkins Grants. Our existing equipment budget (2012/14) was used to purchase 30 new computers for the academy students.

5. What are the consequences of not funding this equipment?

The academy director attends local meetings, training and Peace Officer Standards and Training (POST) seminars and cannot review various computer based projects. The academy director will have to purchase a new lap top at his own expense.
