TOPIC	DISCUSSION	FURTHER ACTION
Financial Aid Efficacy	<p>R. Shabazz and M. Cota addressed the committee and requested that the Financial Aid efficacy review be moved to next year's cycle due to the vacancy of the Financial Aid Director and to other urgent reporting—federal report, audit process, etc. They also reported that the new Financial Aid Director should be in place by May 2017.</p> <p>J. Lamore suggested that this is an important area for our students and motioned that the committee grants the request. Lamore motioned that the program be evaluated in fall 2017. M. Mayne seconded. The motion passed.</p> <p>A small team will work with Financial Aid at the beginning of next year to facilitate the process with the new Director. J. Lamore, M. Mayne, and P. Ferri-Milligan volunteered to do so.</p>	P. Ferri-Milligan will notify Shabazz and Cota of the team and the decision.
SLO/PLO Assessment	SLO/PLO assessment was discussed and the possibility of aligning SLO/PLO processes with program efficacy.	K. Weiss will invite C. Huston to the next meeting for discussion.
Workshops	Committee members were available from 9:30 to 11:00 in order to assist writers with their efficacy reports.
