TOPIC	DISCUSSION	FURTHER ACTION
College Council Report	<p>P. Milligan reported on the new Dean positions that were presented to College Council by H. Hua and R. Shabazz. The documents can be found on the Academic Senate website. Concerns about where other instructional programs fit in that are impacted.</p> <p>K. Weiss reported on the Strong Workforce. Questions that were brought up:</p> <ul style="list-style-type: none"> • Will the process for new programs include Program Review? • Will they submit needs assessment documents to Program Review? • How will the Strong Workforce integrate with current Program Review process? <p>The process is still being vetted. Hopefully, the process integrates with the existing process—which is a campus-based process. Where funding comes from is a different issue.</p>	
Workshop	Committee members worked for the remainder of the meeting with department/areas that wanted assistance on conditional/probational efficacy reports from spring 2016.
