Description: The Kinesiology (KIN) Department offers a variety of courses which provide students the opportunity to improve their current health/fitness levels while acquiring the skills to promote a lifelong wellness lifestyle. Specifically, the KIN courses are lecture based classes which focus on the theories behind a variety of topics related to PE, Kinesiology, and Health. All of the courses can be used for electives in Category V: which is required for graduation and/or transfer. Some KIN courses are also either required or electives for the KIN A.A. and A.A.-T degrees.

Assessment: Enrollment remained steady from 10/11 to 12/13 and then increased from 612 in 12/13 to 667 in 13/14. However, enrollment dropped considerably from 667 in 13/14 to 349 in 15/16. Overall, success rates decreased from 86% in 11/12 to 69% in 15/16. Meanwhile, retention rates were consistently either at 93% or 94%. The number of sections offered also decreased from 24 in 10/11 to 15 in 15/16. There were no sections offered online.

Department Goals:

- To increase number of sections offered
- To increase the number of online, hybrid or ITV courses offered
- To increase the variety of courses offered through the development of new courses or updating historical courses
- To ensure that the courses articulate with the UC/CSU system

Challenges & Opportunities:

- The variety of courses offered is somewhat limited.
- New smart classroom spaces increases our ability to offer more sections of our courses
- Offering online, hybrid or ITV courses is a possible avenue for making more courses available
- Explore the possibility of creating personal trainer or similar certification programs

Action Plan:

- Develop new courses
- Participate yearly in the program review and needs assessment process to stay current
- Develop relationships with departments across campus to create more collaboration opportunities for healthy lifestyles
- Utilize smart classroom spaces in order to offer more sections
- Explore the ITV possibilities for offering more courses
