One-Time Ongoing

Does program or service area have an existing budget? Yes No

Are there alternative funding sources? (for example, Department, Budget, Perkins, Grants, etc.)

Yes No

If yes, what are they: Art Department Budget

1. Provide a rationale for your request (Give a detailed explanation of why this budget increase is needed.)

The Gresham Art Galley operates without a dedicated budget and funding for the Gallery comes from the Art Department's budget, reducing the amount of money available for academic programs in the Art Department. There is the need to establish a separate budget to expand the exhibition opportunities that cannot be met by the Art Department's budget. An Art Gallery budget will provide for exhibition opportunities such as traveling art exhibit that require galleries to pay for rental fees or shipping costs. Additional items to be funded with a separate budget are the purchase of frames, pedestals, replacement wall coverings, display cases, text panels and printed publications to advertise and document the art exhibitions.

2. Indicate how the content of the department/program's latest Efficacy Report and/or current EMP supports this request and how the request is tied to program planning. (Directly reference the relevant information from your latest Efficacy Report and/or current EMP in your discussion.)

The request addresses the need for multicultural experiences that can be usefully applied in other areas of education and life. Through art exhibitions and the presence of exhibiting outside artists our students expand their cultural awareness. The Gresham Art Gallery provides a culturally rich learning environment for our students and the campus community. The request is tied to

Strategic Directions and Goals, numbers 1, 2, 3, 4, 6.

3. Indicate any additional information you want the committee to consider (*for example, regulatory information, compliance, updated efficiency, student success data, or planning, etc.*).

The Gresham Art Gallery hosts eight shows per year including the Dia de los Muertos Show and the Annual Student Art Show. The Gresham Art Gallery is a community-gathering place that makes art accessible, enjoyable and integral to all visitors. The Art Gallery is an inclusive place where all SBVC students and community members have access to work by a variety of artists, and advances SBVC as an institution dedicated to life-long learning.

4. Indicate any related costs (including any ongoing maintenance or updates) and department/program plans to support those costs.

5. What are the consequences of not funding this budget request?

One consequence of not funding this budget request is a reduced amount of money in the Art Department's budget to support academic programs. In addition, not funding the request limits the scope and variety of exhibitions offered in the Gresham Art Gallery, the presentation of the Art Gallery's exhibitions and its ability for community outreach, recruitment of potential students, the enhancement of students and the public's understanding and appreciation of art. The Gresham Art Gallery contributes to student success by exposing students to a diversity of ideas that challenge them with different perspectives on the human condition and not funding this budget request may limit their access to a facility with quality exhibitions.
