

**FACILITIES NEEDS ASSESSMENT APPLICATION**  
**Fall 2017**

Name of Person Submitting Request:	<b>Tarif Halabi</b>
Program or Service Area:	<b>HVAC/Refrigeration</b>
Division:	<b>Applied Technology, Transportation, and Culinary Arts</b>
Date of Last Program Efficacy:	<b>Spring 2017 Mini Review</b>
What rating was given?	<b>Continuation</b>
Type of Facility Requested:	<b>Awning /Cover for outside equipment storage area</b>
Amount Requested (if available):	<b>\$50,000.00</b>
Strategic Initiatives Addressed: (See <a href="http://www.valleycollege.edu/about-sbvc/office-of-president/college_planning_documents/documents/strategic-plan-report-working-doc-8-25-15-2.pdf">http://www.valleycollege.edu/about-sbvc/office-of-president/college_planning_documents/documents/strategic-plan-report-working-doc-8-25-15-2.pdf</a> )	2.1,3.2

NOTE: To facilitate ranking by the committee, submit separate requests for each project; however, multiple items can be submitted as one request if it is required that the projects are packaged together.

**It is suggested that you meet with Robert Jenkins – Director, Facilities, Maintenance, & Operations - prior to submitting a Facilities Needs Request. 909-384-8662 or [rjenkins@sbccd.cc.ca.us](mailto:rjenkins@sbccd.cc.ca.us).**

Capital Improvement  Repair

Are there alternative funding sources? (for example, Department, Budget, Perkins, Grants, etc.)

Yes  NO

If yes, what are they? \_\_\_\_\_

1. Provide a rationale for your request. (Explain, in detail, the need for this project.)

A cover is needed for the area directly behind the Refrigeration Laboratory which houses many expensive A/C equipment that is now exposed to the elements and is affecting the equipment. This equipment includes actual A/C units donated to us by Carrier systems and are covered with tarp. They are sustaining damage the longer they stay out without cover protection.

2. Indicate how the content of the department/program’s latest Efficacy Report and/or current EMP supports this request and how the request is tied to program planning. (*Directly reference the relevant information from your latest Efficacy Report and/or current EMP in your discussion.*)

Again, this is a problem that existed for the past three years and we have tried to protect the equipment from the elements the best we can. We do not have any space inside any storage area and this remains to be a priority. The equipment is critical for use within our laboratory curriculum.

3. Indicate any additional information you want the committee to consider (*for example, regulatory information, compliance, updated efficiency, student success data, planning, etc.*).

We are trying to provide an extra storage, flex space so that we can keep our equipment that has no room available to be stored inside the Tech building.

4. What are the consequences of not funding this facilities request?

The Equipment will rust away under the elements and is further vulnerable from being stolen as currently the block walls can be jumped over and equipment can be stolen. This is valuable equipment that was donated to us for use within our program of study.
